

Santa Comes to Town

The children were happy to see Santa arrive in town last weekend carrying a large red sack of toys.

Johnny Doe was heard saying “It's the *best* time of the year.”

Local Elf Gathering

This year's elf gathering was held at the local Sugar Shack. They were **super** excited to talk about the hard work they are doing this year.

The post-Christmas elf gathering will be held the second weekend of January in Miami, Florida at the Tiki Torch Cafe.
